AberNecessities provides disadvantaged families with the essential and basic necessities that no child should go without. From maternity bundles for mother and baby to nappies, formula milk, clothing, toys and equipment for children aged 0-18 years, AberNecessities recognises the importance of meeting the basic needs of a child in order to give them the best start possible. We operate on a referral basis, accepting applications from our network of brilliant professionals across the health, social care and education systems. We know the professionals are best placed to meet the needs and provide the emotional support to the families we support, while we provide the physical items. Our referral system allows us to distribute items fairly and efficiently to families who need them most.
